

I am excited to serve as the Campaign Chair for the United Way for South Louisiana this year. Last year, our campaign achieved over 1 million dollars in donations and helped serve over 10 thousands people in our community. Many who included your family, friends, and co-workers.

Each year United Way for South Louisiana helps many organizations in our region provide services to our community. For many, the donations they receive through the United Way Campaign sustains their work. Some of the organizations who are served through the generous donations of individuals and companies in our region include:

- The Haven
- Mary Bird Perkins TGMC Cancer Center
- Cancer Center of Thibodaux Regional
- St. Vincent DePaul Triparish Community Pharmacy

I write to you today to ask you to please consider to your organization's participation in this year's campaign! We hope that we can count on you to meet our goal of raising 1.4 million dollars. Just imagine the good we can do together for our community.

We know that our economy has struggled in recent years, and so have many of our people. This is why the work of the United Way is so vital to our community and the power we have to uplift individuals in their time of need. We would love the opportunity to speak to you further about re-engaging with us in this year's campaign. If you would be willing to speak with me or a member of the United Way team, please do not hesitate to reach out.
